Welcome to the New Era BoxCup 2026!

Step into a competition built for the boxers. This is the first boxing tournament where the spotlight stays firmly on the athletes, with five judges per ring, international competitors, and championship belts as unforgettable as the battles in the ring.

We've partnered with Jablink to make the whole experience simple and seamless—from registration to results. Weigh-in and check-in will take place on Friday evening, meaning no Saturday weigh-in. This gives you more time to recover from your journey to Essex and ensures we can pack in as many thrilling bouts as possible.

The New Era BoxCup isn't just another tournament—it's a celebration of boxing and the people who make it great.

This is a great boxcup to create exposure to all boxers on social media platforms!

Location

Braintree leisure centre

Three rings on display with 5 judges.
